

Pecorino Terms and Conditions

- 1) Cards are issued to a named individual for their use.
- 2) You must be a member of Centrebus Travel Club to use a Pecorino card. Your first year of membership is included when you buy your card. We will write to you when your membership expires, and your Pecorino account may be suspended if you choose not to renew.
- 3) Your Travel Club membership will allow you 15% discount on standard single and return fares when you are not using your Pecorino card.
- 4) When using a Pecorino smart card, you simply place it on the validator when you board the bus. Wait for the green light and 3 beeps to confirm acceptance of your card, then take the ticket issued to you (which is your permit to travel). You must have a permit to travel with you during your journey, or you may be asked to pay a further fare.
- 5) In the event of an error code when presenting your Pecorino card, consult the driver. You may be required to pay a cash fare if your card has no credit or is unreadable.
- 6) You can ask the driver to produce a card report, showing your available credit, at any time.
- 7) If you wish to top up your card, you must advise the driver before placing your card on the validator. You may lose credit if you do not. After topping up, make sure that your card is validated for the journey you are making, and if you are using a Pecorino card ensure you have a permit to travel ticket issued to you (as well as a top up receipt)
- 8) Pecorino smart card travel is not valid on:
 - All services operated by Stevenage depot (due to the depot using a different ticketing machine)
 - UHL Hospital Hopper in Leicester
 - 34 (Kettering to Corby) in Northamptonshire
 - Shorelink and Worklink buses in Rutland
 - Call Connect
 - All High Peak services
- 9) All travel with Centrebus is subject to our standard terms and conditions, available at www.centrebus.info.
