

Dunstable Downs

The highest point in Bedfordshire, with wide views across the Chilterns and open chalk grassland. It's an easy place to spend time outdoors - whether that's a short stroll or a longer walk, with well marked routes and plenty of space to take it at your own pace. There's a café at the top, and on a clear day you can see for miles across the Aylesbury Vale.

Whipsnade Estate

A quieter extension of the Downs, with rolling grassland, wildlife habitats and historic features. Highlights include the Tree Cathedral and a network of paths through open countryside. It's less about facilities and more about space, views and a slower, more relaxed day out.
