Step 3: Activate your ticket

When you're ready to use your ticket select the activate button.

Don't press this until you're ready to use your M-ticket as the countdown clock to the ticket expiry will begin as soon as this button is pressed.

Step 4: Using your ticket

When you're ready to use your M-ticket simply present it to the driver.

You can save the image to your mobile homescreen for quick access.

It is your responsibility to make sure your phone is charged up and provides clear readability of the ticket and your personal details including your uploaded photo.

Step 5: Ticket Validation & Scanning

The driver will need to check your image, ticket type and expiry, so make sure he/she can view your screen clearly.

You may be required by the driver or one of our ticket inspectors to present your ticket for scanning by one of our barcode readers.

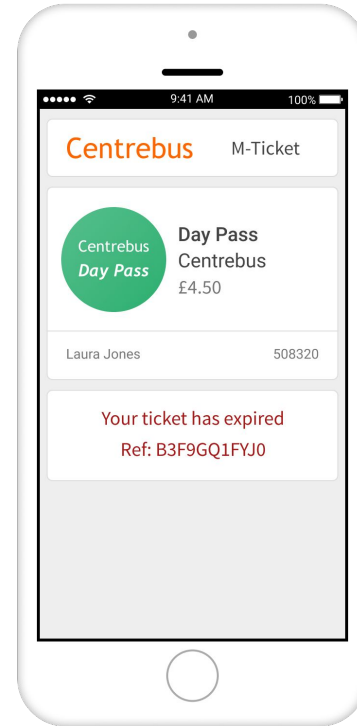

If you are required to do this please follow the instructions provided and show your ticket to the scanner.
